CIRCULAR

It is for information of all Private Paramedical Institutes, that it has come to the notice of J&K State Paramedical / Nursing Council, GMC, Jammu that some Paramedical institutes of the State have dual Registration in GNM Stream with other Nursing Councils outside State as well as with J&K State Paramedical / Nursing Council for running two batches in the same institution in a session in the same building.

After the existence of J&K State Paramedical / Nursing Council in the State, such practice is in violation of norms and regulations of J&K State Paramedical / Nursing Council Act 2014. It is as such directed to desist from this practice of Dual Registration henceforth and if observed / reported will lead to cancellation of permission granted for running the paramedical institute.

Further, it is for the information of those institutes which are running Diploma/Degree courses with permission of Indian Nursing Council (INC) and having affiliation with Punjab Nursing Registration Council (PNRC), to get their institutes affiliated with J&K State Paramedical/ Nursing Council, otherwise the institution admitting students for different courses will be doing so on the sole risk and responsibility of the institute.
